

SECOND YEAR TEACHER
Or
CANDIDATE COMPLETING PORTFOLIO IN YEAR TWO IMAP

1. Check your license.

A. **Reciprocal license** – this is issued if you have an out of state license and you are meeting your deficiencies noted in an evaluation of your credentials. You may NOT enroll in Year Two of IMAP. (Indiana Mentoring and Assessment Program)

B. **Emergency Permit** – this license is requested by your school corporation to fill a need in a shortage area. You may NOT enroll in Year Two of IMAP. (Indiana Mentoring and Assessment Program)

C. **Rules 46-47 License** – this is a standard license. If this is your first year of teaching, refer back to First Year Teacher.

D. **Rules 2002 -- INITIAL PRACTITIONER'S LICENSE --** Most recent graduates will hold this instructional license. You must be enrolled in Year Two of IMAP (Indiana Mentoring and Assessment Program) by your school corporation.

2. At the beginning of the school year, your corporation is responsible for assigning a mentor to you. A state certified mentor is preferred. Corporations will make the assignments and will enroll you in IMAP by using an online system. If your corporation fails to contact you about this by September 15, please check with them. This enrollment is a serious licensure issue. If you were enrolled in Year One, you still must enroll AGAIN in Year Two.

3. During the year you are expected to work with your mentor and fulfill any other requirements set forth by your specific school Corporation. After you enroll in Year Two, you will receive an email notification from IDOE. This email will give you directions for completing your online portfolio. Successful completion of a portfolio is required to proceed to the next level of licensure. At the end of Year Two, the following is needed:

A. **Reciprocal license** --- No end of year documentation needed. You should NOT have been participating in IMAP in Year Two.

B. **Emergency permit** --- No end of year documentation needed. You should NOT have been participating in IMAP in Year Two.

C. **Rules 46-47 License** ---- You should have completed your internship in Year One.
